The phrase “National Guard and Reserve” refers to members of the Army National Guard, Army Reserve, Navy Reserve, Marine Corps Reserve, Air National Guard, Air Force Reserve and U.S. Coast Guard Reserve. Members of the Individual Ready Reserve (IRR) may purchase the TRICARE Dental Program, but usually do not qualify for any other TRICARE benefits when not on active duty orders or immediately following a period of activation.

### LEGAL ASSISTANCE

#### ***Service Members Law Center***

[http://www.roa.org/site/PageNavigator/ Servicemembers\\_Law\\_Center](http://www.roa.org/site/PageNavigator/ Servicemembers_Law_Center)

In today’s national security environment, the Nation relies heavily upon the Reserve and Guard. With that reliance on our Citizen Warriors comes a greater need for our service members in the Reserve Components and their employer’s to be aware of and better understand the basic laws that apply to both of them. Each has duties and responsibilities. It is the goal of the Service Members Law Center to provide up-to-date and comprehensive information on the laws governing the service member/employer relationship to all who have a need.

### FAMILY SUPPORT

#### ***USA4 Military Families***

<http://www.usa4militaryfamilies.dod.mil/>

Since many issues surrounding quality of life and family well-being can only be addressed by states, the USA4 Military Families initiative, worked through the Department of Defense-State Liaison Office (DSLO), seeks to engage and educate state policymakers, not-for-profit associations, concerned business interests, and other state leaders about the needs of Military members and their families. By developing state/military partnerships, DoD seeks to work with the states to remove unnecessary barriers, and significantly improve the quality of life for military families.

#### ***Yellow Ribbon program***

The Yellow Ribbon GI Education Enhancement Program (Yellow Ribbon Program) is a provision of the Post-9/11 Veterans Educational Assistance Act of 2008. This program allows institutions of higher learning (degree granting institutions) in the United States to voluntarily enter into an agreement with VA to fund tuition expenses that exceed the highest public in-state undergraduate tuition rate. The institution can contribute up to 50% of those expenses and VA will match the same amount as the institution.
