FORCE POLICY LETTER 13-11

From: Commander, Marine Forces Reserve
To: Distribution List

Subj: RESERVE TRAVEL CLAIM SUBMISSION

Ref: (a) Joint Federal Travel Regulations (JFTR)

Encl: (1) How to Properly Complete a 1351-2 Form
(2) Initial Travel Claim Checklist
(3) Travel Claim Submission Tracker
(4) Common Document Tracking Management System-Travel Discrepancy Notices

1. The timely payment of travel authorizations as prescribed by the reference and payment of Government Travel Charge Card (GTCC) balances is a requirement to maintain a heightened state of operational readiness and is a Commander's Program.

2. While the implementation of the Defense Travel System (DTS) has greatly enhanced the supportability of active duty, active reserve, and civilian employees' execution of Temporary Additional Duty (TAD) and the settlement of travel vouchers, it is not intended to support Reserve (IRR, IMA, SMCR) travel at this time. Unless a Reserve Marine is serving on an order that permanently assigns him or her to a duty location (Permanent Change of Station {PCS} Orders), and with very limited and expressly authorized exceptions, DTS will not be used for reserve duty and travel claim submissions at this time.

3. There are initiatives currently being tested at the Marine Forces Reserve (MARFORRES) Headquarters to integrate the Marine Reserve Order Writing System (MROWS) and DTS. Until this new technology is fully tested, functional, and fielded, reserve Component members not serving under a PCS order are restricted from using DTS. Due to the technological limitations on supporting Reserve Component travel claims, a DD Form 1351-2 is required to be completed and submitted to the MARFORRES Finance Office for travel settlement.

DISTRIBUTION STATEMENT D: All MARFORRES assets, approved for public release, distribution is unlimited.

Subj: RESERVE TRAVEL CLAIM SUBMISSION

4. Commanders/Inspector-Instructors will:

a. Ensure administrative support sections are provided the names, dates and requirements for orders to be issued to the identified Reserve Component member no later than 10-working days prior to the planned execution date of the orders.

b. Ensure all MROWS Orders are completely routed and "authenticated" within MROWS prior to or on the effective date of the orders. In the event the MROWS Orders were "authenticated" after the effective date, the orders are then considered "confirmation" orders and require a waiver from the Deputy Commandant, Manpower and Reserve Affairs to be included in the travel claim submission.

c. Ensure a DD Form 1351-2, Travel Voucher or Subvoucher, is received upon completion of a period of duty or when there is a partial claim submission requirement (duty in excess of 45 days requires 30-day partial settlements). These travel vouchers or subvouchers must be signed by the member, and submitted to the administrative support section with all required documentation and receipts within 5-working days. Enclosure (1) provides step-by-step instructions for completing a DD Form 1351-2.

d. Within 3-working days upon receipt, ensure a complete review of the DD Form 1351-2 is conducted by the administrative support section and all applicable supporting documentation is present: MROWS Orders (and all modifications), DD Form 1610, Request and Authorization for TDY Travel of DoD Personnel, (if concurrent TAD was executed during the period), reporting/detaching endorsements (if applicable), Leave Papers (if applicable), and all required receipts. Receipts are required for all lodging expenses and any claimed expenses for \$75.00 or more. Enclosure (2) is provided and required to be submitted with the claim to ensure completeness.

e. Ensure fully completed and accurate travel claims are submitted to the MARFORRES Finance Office via the Document Tracking Management System-Travel (DTMS-T) module within Marine-on-Line (MOL).

f. Utilize enclosure (3) to track the receipt of all travel claims and their submission to the MARFORRES Finance Office.

g. In the event a submitted travel claim is rejected and issued a Discrepancy Notice (DN), ensure the individual Marine is notified and errors are corrected. Ensure the corrected voucher is resubmitted to the MARFORRES Finance Office via DTMS-T within 3-working days.

Subj: RESERVE TRAVEL CLAIM SUBMISSION

h. Track the settlement of each submitted voucher via DTMS-T, 3270 IATS online view, and/or Electronic Document Access (EDA) at <https://eda2.ogden.disa.mil/frames.html>.

i. Upon settlement of each travel claim, ensure that the settled claim is audited. In the event the claim was paid incorrectly, or if additional entitlements are authorized, ensure that a supplemental DD Form 1351-2 is completed, signed by the member, and submitted to the administrative support section for re-submission to the MARFORRES Finance Office.

5. Recent research, audits, and Marine Corps Administrative Analysis Team (MCAAT) reports indicate that Commanders/Inspector-Instructors with a system in place to accurately track the submission and settlement of submitted vouchers have superior inspection results, lower GTCC delinquency, quicker travel voucher settlements, higher unit morale, and overall operational readiness.
