1. Situation. To publish procedures and establish eligibility criteria for meritorious promotion for Private First Class through Gunnery Sergeant within Marine Forces Reserve (MARFORRES) per the references.

2. Cancellation. ForO 1430.1B.

3. Mission. Publish procedures and establish eligibility criteria for meritorious promotion for Private First Class through Gunnery Sergeant within MARFORRES in order to promote Marines to the next higher grade that are highly qualified based on exceptional professional performance of duty.

4. Execution. The term "commander" used in this order is defined as those officers delegated promotion authority per paragraph 1200.3b of reference (a).

a. Commander's Intent and Concept of Operations

(1) Commander's Intent. Meritorious promotion to the next higher grade is to be used to promote highly qualified Marines based on exceptional professional performance of duty over a sustained period, demonstrated superior leadership potential and technical competence exceeding that of most contemporaries. Performance should be of the degree that clearly merits promotion over other qualified Marines. Meritorious promotion is not to be used as a substitute to promote those Marines who are not advanced through the regular promotion system i.e. "passed", nor should it be used to reward an individual for commendatory performance of limited duration. Short-term commendatory performance is to be recognized by other means.

DISTRIBUTION STATEMENT A: Approved for public release; distribution is unlimited.

JUN 20 2014

(2) Concept of Operations. Regular and Reserve meritorious promotion allocations will be derived separately and based on respective onboard strengths. MARFORRES uses strength totals in determining the authorized number of meritorious promotions to Corporal and Sergeant allocated to the 4th Marine Division, 4th Marine Aircraft Wing, 4th Marine Logistics Group, Force Headquarters Group, and Headquarters Battalion, MARFORRES. All allocations for meritorious promotions will be released via force bulletin listing nomination due date and the date the board will convene.

(a) All Reserve Component (RC) Marines, regardless of duty station, except for Marines eligible for meritorious promotion under paragraph 4101.1 of reference (a), will be given the opportunity to compete for meritorious promotion. Allocations will be derived from onboard strengths.

1. Commanders who have RC Marines attached to them must submit nominations for meritorious promotion by letter to the Commander, MARFORRES via the Commanding General, Force Headquarters Group and their appropriate chain of command utilizing enclosure (4).

(b) Individual Ready Reserve (IRR) Marines will compete for meritorious promotion within the IRR.

1. Allocations for meritorious promotions will be determined using the formulas prescribed in reference (a). These formulas will be applied only to the population of IRR Marines on active duty on the first day of the fiscal quarter.

2. Commanders who have IRR Marines attached to them in an active duty status must submit nominations for meritorious promotion by letter to the Commander, Marine Forces Reserve (COMMARFORRES) utilizing enclosure (4), page 2. IRR Marines in this category include the following:

- a. Active Duty Operational Support (ADOS).
- b. Exercise Support Orders.
- c. Reserve Counterpart Training Orders.
- d. Mobilization Orders.

(c) Regimental/Group/Battalion/Squadron Commanders are delegated authority to achieve each fiscal quarter, meritorious promotion to Private First Class (PFC) (non student) within their organizations. Commanders who have IRR Marines attached to them in an active duty status must submit nominations for meritorious promotion by letter to COMMARFORRES utilizing enclosure (4), page 2.

(d) Regimental/Group/Battalion/Squadron Commanders are delegated authority to achieve each fiscal quarter, meritorious promotion to Lance Corporal (LCpl) within their organizations. Meritorious promotions achieved under this authority will not exceed three (3) percent of the PFCs on board as of the first day of each fiscal quarter. Commanders who have IRR Marines attached to them in an active duty status must submit nominations for

JUN 20 2014

meritorious promotion by letter to COMMARFORRES utilizing enclosure (4), page 2.

(e) Due to strength totals, of AC and RC LCpls and Corporals (Cpl) within the force units, normally the force-level units will be able to fulfill only (1) one promotion to these ranks per Fiscal Year (FY). At least (1) one promotion per those ranks will be fulfilled not later than the last quarter per FY.

(f) Promotion certificates for Cpl and Sergeants (Sgt) will be prepared by the Major Subordinate Command (MSC) and forwarded via the chain of command for delivery to the individual Marine at an appropriate ceremony. Promotion certificates for Cpls and Sgts within Headquarters Battalion, MARFORRES will be prepared by the Headquarters Battalion Adjutant and forwarded to COMMARFORRES for signature. Promotion warrants for Staff Noncommissioned Officers (SNCO) will be prepared and forwarded by the MARFORRES Adjutant. MSCs will prepare a Naval Message to regiments/groups/battalions/squadrons listing selected Marines with authority to effect promotions on the second of the month. Promotion certificates for all IRR Marines selected for meritorious promotion will be prepared by the Marine Corps Individual Reserve Support Activity (MCIRSA), Force Headquarters Group and forwarded via the chain of command for delivery to the individual Marine at an appropriate ceremony.

BOOK REPORT FORMAT

**Introduction:** Here you want to provide basic information about the book, and a sense of what your report will be about. You should include:

- Title (underlined)/Author
- A brief (1-2 sentences) introduction to the book and the report/review.

**Body:** There are two main sections for this part. The first is an explanation of what the book is about. The second is your opinions about the book and how successful it is. There are some differences between reports on fiction or other imaginative writing and reports on non-fiction books.

But for both, a good place to start is to explain the author's purpose and/or the main themes of the book. Then you can summarize.

- For fiction or other creative writing: Provide brief descriptions of the setting, the point of view (who tells the story), the protagonist, and other major characters. If there is a distinct mood or tone, discuss that as well. Give a concise plot summary. Along with the sequence of major events, you may want to discuss the book's climax and resolution, and/or literary devices such as foreshadowing.
- For non-fiction: Provide a general overview of the author's topic, main points, and argument. What is the thesis? What are the important conclusions? Don't try to summarize each chapter or every angle. Choose the ones that are most significant and interesting to you.

**Analysis and Evaluation:** In this section you analyze or critique the book. You can write about your own opinions; just be sure that you explain and support them with examples. Some questions you might want to consider:

- Did the author achieve his or her purpose?
- Is the writing effective, powerful, difficult, beautiful?
- What are the strengths and weaknesses of the book?
- For non-fiction, what are the author's qualifications to write about the subject? Do you agree with the author's arguments and conclusions?
- What is your overall response to the book? Did you find it interesting, moving, dull?
- Would you recommend it to others? Why or why not?

**Conclusion:** Briefly conclude by pulling your thoughts together. You may want to say what impression the book left you with, or emphasize what you want your reader to know about it.
