GROUP POLICY LETTER 3-20

From: Commanding Officer, Marine Aircraft Group 41
To: All Hands

Subj: REQUEST MAST PROCEDURES FOR HEADQUARTERS, MARINE AIRCRAFT GROUP 41

Ref: (a) U. S. Navy Regulations (Arts. 0820c and 1151.1)
(b) Marine Corps Manual (par 2805)
(c) MCO 1700.23G

Encl: (1) Command Specific Elements Pertaining to Request Mast
(2) NAVMC 11296 (Marine Corps Request Mast Application)

1. Situation. The Request Mast process preserves the rights of all Marines to directly communicate grievances to or seek assistance from their commanding officers. Request Mast as established in references (a) and (b) includes both the right of the Marine to communicate with the commander, normally in person, and the requirement that the commander consider the matter and personally respond to the individual requesting mast.

2. Cancellation. Group Policy Letter 1-18 dtd 17 Jan 2018

3. Mission. When requested, Commanding Officers will quickly complete a Marine's mast request and adjudicate at their level. If unable to adjudicate at their level, the Commanding Officer will forward the mast to the next commander in the chain of command to ensure good order and discipline is maintained within their command.

4. Execution.

a. Commander's Intent and Concept of Operations

(1) Commander's Intent. Rapid resolution or review of any Marine's concern is critical to the good order and discipline within the Marine Corps and this command. I will review, assist, and reconcile all concerns, complaints, or recommendations within the authority granted and authorized to me. And, if unable, I will forward these concerns to the Commanding General, 4th Marine Aircraft Wing for adjudication.

(2) Concept of Operations. Request Mast applications will be submitted in writing,

GROUP POLICY LETTER 3-20

utilizing NAVMC form 11296 (enclosure 2) via the chain of command to the commander with whom the Marine is requesting an audience with. Once submitted, the request mast should be completed within one working day after submission. Submission of a request mast to the MAG-41 Sergeant Major, Executive Officer, or Adjutant begins the process.

b. Coordinating Instructions.

(1) All members of MAG-41 exercising Request Mast shall do so utilizing the references, which describe the process and procedural aspects of Request Mast and the enclosures, which describe the command specific elements.

(2) Marines requesting mast have no obligation to reveal the purpose or content to the chain of command below the first slated commander, but is encouraged to review the request with senior enlisted and officers to refine and assist their grievances. Any assistance provided by anyone DOES NOT satisfy the request mast process. Once initiated, Marines requesting mast must be enabled and allowed by all Marines to complete the request mast to his or her commanding officer.

(3) Marines in the chain of command assisting a Marine requesting mast WILL NOT recommend, block or impede the request mast process. Assistance is encouraged as mentoring and mental sharpening of the condition and outcome the Marine is seeking. Marines are not required to inform their chain of command of the nature or details of the request mast.

5. Administration and Logistics.

a. MAG-41 Site Support Sergeant Major or Group Sergeant Major shall:

(1) Provide administrative assistance as delineated in the enclosures.

(2) Ensure that this directive is posted on all Troop information boards and readily available to all personnel in this command.

(3) Facilitate the process of Request Mast applications addressed to the Commanding General for Consideration.

b. Commanding Officers, Officers in Charge, and Staff Noncommissioned Officers shall:

(1) Ensure that all personnel are familiar with this policy and the associated command specific elements

(2) Develop and post their command's policy and ensure it is posted on all Troop Information Boards and readily available to all personnel.

GROUP POLICY LETTER 3-20

(3) Educate Marines in the proper conduct of the Request Mast program.

(4) Forward any Request Mast to the Commanding Officer within one working day where a Marine has completed the NAVMC form 11296 and requests adjudication at the next level. Marines requesting mast will be seen by the Commanding Officer before any request is forwarded to the next Commander in the chain of command. If a face-to-face meeting is not possible, then a video teleconference (VTC) is a suitable alternate. If VTC is not available, then a telephone conversation is the last approved alternate. Email, text, and written communication is not authorized.

(5) Detachment OIC's, when appointed in writing and deployed, are authorized to act as the Marine's first element in the Request Mast process. There are no other times when Detachment OIC's may adjudicate request masts.

6. Command and Signal.

a. Command. This order is applicable to all uniformed members of this Command.

b. Signal. This order is effective the date signed.

H. L. ATKINSON
