board, I may request via message to be considered for promotion while voluntarily processing for retirement. I understand that this request must be submitted to HQMC (MMSR-5 and MMPR-2) at the time I request retirement. I understand that if selected for promotion and my name is on a promotion selection list, my request for retirement will result in the removal of my name from that list. e. (Officer only). (1) If my requested retirement date is approved and occurs within 90 days of the convening date of a promotion board for which I am to be considered, I will no longer be eligible for consideration. This will cause my deletion from the eligibility zone and counts as a failure of selection even if I successfully withdraw my retirement at a later date. (2) If my requested retirement date is more than 90 days after the convening date of a promotion board for which I am to be considered, and if I am selected for promotion after having submitted my request to retire, I may request withdrawal of my retirement. f. I must EAS at least 2 weeks prior to my desired retirement date in order to allow sufficient time for administrative transactions to properly post in MCTFS. g. I may not request cancellation of my application for retirement or modify the effective date except for one of the following reasons: (1) For a fully documented humanitarian or hardship circumstance that has occurred since my application was submitted. (2) In the best interest/needs of the Marine Corps. I understand that this determination will ultimately be made by HQMC and not by my present command. h. I can expect to retire on the date approved by CMC unless I am placed on legal or on medical hold, as authorized only by HQMC, prior to my actual retirement date. I understand that if I am at service limitations or otherwise pending mandatory retirement, a deferment for medical reasons may only be accomplished if I have a complete medical board accepted by the president of the Physical Evaluation Board or I am hospitalized on my actual retirement date as an inpatient. i. A request to modify a retirement date must be submitted with appropriate justification and command endorsements no less than 45 days prior to the approved retirement date. j. I understand that the Defense Finance and Accounting Service, Cleveland (DFAS-CL) computes retired pay under the applicable formula established by law, according to my grade, and total number of retirement points per para 3013 of the reference. k. I fully understand that I may not extend my retirement date, once a date has been requested, solely to increase my retired pay. 1. I understand that if I have received separation, severance or readjustment pay under any

provision of the law for service in the armed forces, and if I am now qualified for retired pay, DFAS-CL will reduce each payment of retired pay until the total amount deducted equals the

amount of Separation, severance or readjustment pay.

- m. I may be eligible to receive retired pay prior to Age 60 per DoDI 1215.07 and National Defense Authorization Act of 2008. For each 90 days of qualifying active duty service after 28 January 2008 during a fiscal year, my date first eligible to receive retired pay will be reduced from age 60 by three months. Upon submission of this retirement request, MMSR-5 will calculate my date first eligible which will be included in my "awaiting pay" orders.
- 5. Whether retirement is a voluntary decision or due to service limitations imposed by law or policy, the transition can be challenging. Ensuring that you understand the laws and policies that affect your retirement and answering any questions you may have regarding the above is an essential part of the process. HQMC is committed to assisting in making your retirement processing and subsequent transition as smooth as possible. Additional information is available on the Separation and Retirement Branch web page.
