Chapter 1: Vouchers Introduction

A voucher is a claim for reimbursement of actual expenses you* incurred and payment of allowances you earned while you were TDY. Once you complete your trip, DoD policy mandates travel voucher submission within five working days of returning from TDY.

By design, information from the approved DTS authorization (cost estimates and assumptions) carries over into the voucher at **CREATED**. Since the voucher must *always* reflect accurate cost and trip information, you must update the voucher from estimated charges to actuals based upon the mission. In other words, your primary responsibility on a voucher is to make *changes* to it, add the required receipts (i.e., all lodging and any expense of \$75.00 or more), and attach supporting documentation (if applicable – e.g., CTW, leave form). This guide focuses on how to make those changes.

** In this guide, “you” are a traveler, unless otherwise stated.*

Travel documents are subject to internal (per local business rules) and external (e.g., Defense Finance and Accounting Service [DFAS]) audits which help identify improper payments, recognize trends, implement corrective measures to appropriately recover funds, and improve travel compliance. If you are uncertain if an expense is allowable then review the [JTR](#), contact your Lead DTA or supervisor before submitting the voucher for approval and payment. Your AO should carefully review the submitted voucher and return it for correction, if any portion is non-compliant for travel policy.

Note 1: If you’re logging into DTS after an extended period, DTS may provide you a pop-up message which can include:

- **Review and Update Profile** - This option triggers when it is at least 60 days since your last log on to DTS. Either choose **Open Profile** and make your changes or **Continue without Updating**. For more about profiles, see the *DTS Guide 1: Authorizations* and *DTA Manual, Chapter 7: People*.
- **What’s New** - This feature alerts you when software changes occur. The first time you access an affected module, the **What’s New** feature activates. A series of pop-up screens annotating any revisions. Once you proceed through the overview, you must select **Got It** to close the messaging. Your personal profile tracks your acknowledgement and then the **What’s New** feature inactivates. As this a one-time alert, unless there is another system change, you will not see the **What’s New** alert again. For more on the **What’s New** feature, review the *DTS Guide 1*.

Note 2: Before accessing DTS verify your web browser is fully compatible with the system. Chrome, Edge, and Firefox browsers work with DTS. Contact your IT POC for technical support. See the bottom of the [DTS Home](#) page, **Need More Assistance?** for the requirements.

1.1 Trip Processing Rules

Travelers and those who create, edit, or amend documents for travelers must adhere to trip processing rules. Authorization specifications apply to reduce the possible invalid reservation selections (e.g., selections made in the next Fiscal Year (FY) before airlines post flights) and incorrect per diem calculations (e.g., documents crossing multiple FYs and per diem changes). Voucher specifications apply to reduce incorrect per diem calculations resulting in debt. These processing rules include:

- Authorizations may not be created greater than 6 months in advance of the trip.
- Imported authorizations may not be created greater than 6 months in advance of the trip.

- Authorizations will not have the amend link available 75 days after the last day of travel.
- Authorizations and vouchers can't exceed the maximum trip length of one year from the trip start date.
- Imported Authorizations along with vouchers can't exceed the maximum trip length of one year from the trip start date.

When a document does not meet the policy requirements for trip creation date and/or trip duration on the Itinerary page, DTS will alert the user.

- If *creating* a document further out than six months from current date, the following error message displays under the *Create Itinerary* section:

- "There are errors with this itinerary. Please correct the errors and try submitting again."

- If *creating* a document further out than six months from current date, the following error message displays under the *Trip Overview* section, **Leaving On** field:

- "Your overall Leaving date must be less than 180 days in the future."

- If *creating* a document with a trip duration of greater than one year, the following error message displays under the *Create Itinerary* section:

- "There are errors with this itinerary. Please correct the errors and try submitting again."

- If *creating* a document with a trip duration of greater than one year, the following error message displays under Your *TDY Locations(s)* section:

- "Total trip duration cannot exceed one year."

- If *editing* an existing trip to extend the total trip length and the duration is greater than one year, the following error message displays under the *Edit Itinerary* section:

- "There are errors with this itinerary. Please correct the errors and try submitting again."

- If *editing* an existing trip to extend the total trip length and the duration is greater than one year, the following error message displays under Your *TDY Location(s)* section:

- "Total trip duration cannot exceed one year."

- If *editing* an existing trip to extend the total trip length and the duration is greater than one year, the following error message displays under the *Trip Overview* section, the **Returning On** field:

- "Total trip duration cannot exceed one year."

- If *amending* an authorization with SPPs, DTS will automatically cancel scheduled SPPs to prevent improper payments. After adding or editing expenses, reschedule the SPPs on the amendment.

Once an error for trip duration occurs, the traveler, clerk, or NDEA must correct the dates before proceeding past the **Itinerary** page.

In circumstances where travel is greater than one year:

- Follow your local business rules on how to document and process the extended trip.
- For DTS purposes users can't exceed the trip duration limit. Instead, an additional authorization and voucher is necessary. For auditability, comments can be added to associate the two documents.

Chapter 2: Create a Voucher

To create a voucher log onto DTS. On the **DTS Dashboard** (Figure 3-1), select **Create New Document**, then choose **Voucher**.

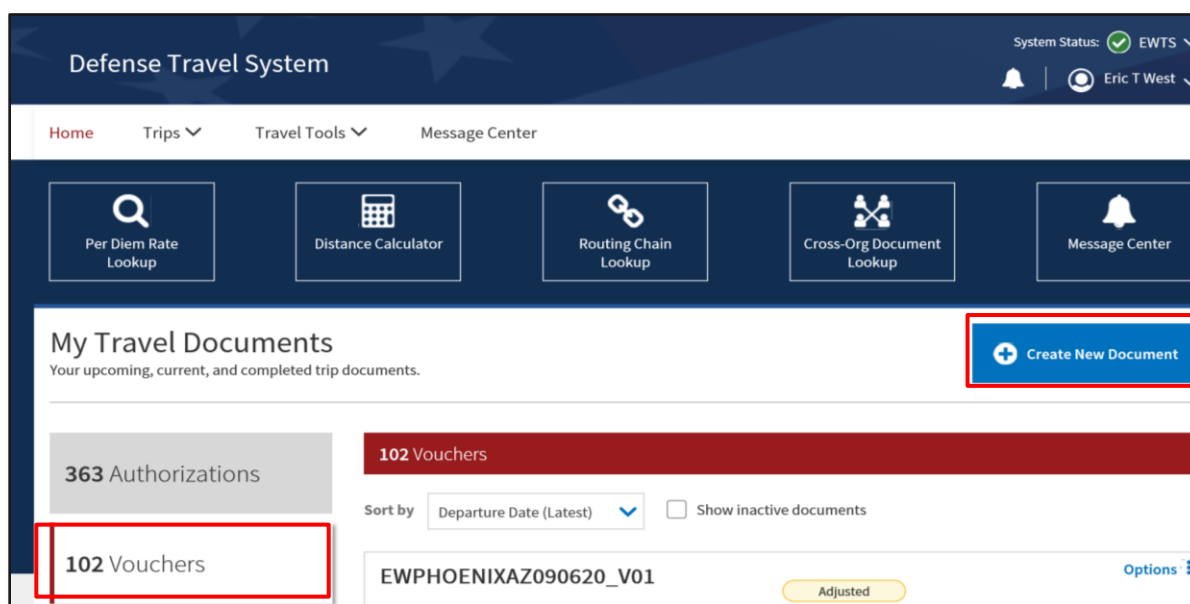

Figure 3-1: DTS Dashboard

DTS displays a list of approved authorizations (Figure 3-2) which you may choose to voucher for payment.

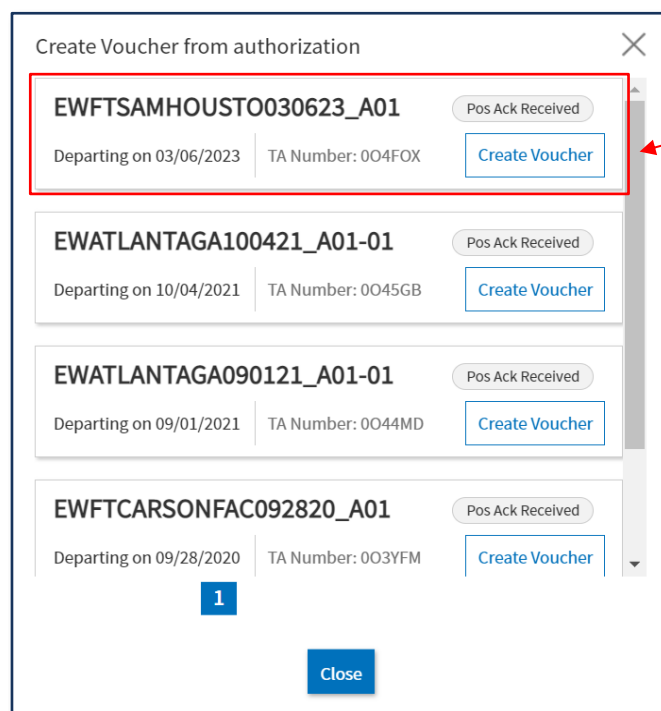

Figure 3-2: Create Voucher from Authorization Screen

Select **Create Voucher** next to the authorization you want to use to create the voucher. The **Review Trip Voucher** screen (Figure 3-3) opens. This screen allows you to review all the information available in the voucher. From here, you can:

- Select an area on the **Progress Bar** in the left column (Indicator 2).

Chapter 3: Update the Trip Details and Travel Itinerary

If your trip details (e.g., Trip **Purpose**) or travel itinerary (e.g., travel days, TDY location) changed from what the AO approved on the authorization, select **Edit Itinerary** on the **Progress Bar** (Figure 3-3, Indicator 2). The **Update Itinerary** screen (Figure 3-4) opens. The fields on this screen initially populate with the information you entered on the authorization. **Note:** If errors occur when editing the itinerary, see *Section 1.1 Trip Processing Rules* for more information.

On this page, you can add, change, or view the following:

1. YOUR TDY LOCATION(S)
 - **Arriving** and **Departing** dates. **Note:** Trip duration can't exceed one year from the start date.

Figure 3-4: Update Itinerary Screen

Once you update all the fields, select **Continue**. After you acknowledge a pop-up reminding you to verify or update your reservation costs, expenses, and per diem information, the voucher opens on the **Enter Expenses** screen.

Note: The voucher does not contain a **Reservations** module. You must make all reservation changes (e.g., costs) on the **Enter Expenses** screen (see *Chapter 4*).

Chapter 4: Update Expenses and Allowances

The **Expenses** module (Figure 3-5) initially displays all the estimated expenses and allowances the AO approved on the authorization. Since those were just estimates, you must adjust them to reflect your actual trip cost. When you complete the voucher modifications, each expense must exactly match the amount you paid and each allowance must be accurate for the proper reimbursement.

Select the **Expenses** module on the **Progress Bar**. The **Enter Expenses** screen opens (Figure 3-5) and provides a single running list of reservations and other entered expenses and allowances. You can select the **Sort By** drop-down menu (Indicator 1) to change the display options for the listing or leave the default view. On the **Enter Expenses** screen (Figure 3-5), you can:

- Select **Add** to enter all new expenses or mileage entries (Indicator 2).
- Select **Details** to view or **Update** recorded expense information (Indicator 3).
- Select **Details** to add, browse, and upload files to expenses or **Documents** (Indicator 3).
- Select **options** (3-dots icon) to **Delete Expense** or **Duplicate Expense** (Indicator 4) for other entered expenses and mileage allowances. (Exception: See *Section 4* for information about how to update lodging cost).
- Select **Add**, and then choose **Add Expense from GTCC** to import into the voucher (Indicator 2).
- **Import a PDF** to attach a file to an expense or **Documents** (Indicator 5).
- **Download all Attachments** (Indicator 6). **Note:** Icon only appears once you attach a file to an expense or **Documents**.
- Select the **Expand All/Collapse All** option (Indicator 7).
- View **Receipt** requirements (Indicator 8).

Figure 3-5: Enter Expenses Screen

The **Enter Expenses** screen communicates and executes tasks through the extensive use of icons. See *Section 4.4* for an explanation of icons.

Beware of duplicate expense entries as these cause overpayments. If you are ever in doubt, check the **Review Trip Voucher** screen (*Section 7.2*) to see if you have over-claimed any expense or allowance.

4.1 Reservation Expenses

Based upon your actual trip cost, you will need to **Update**, **Add**, or **Delete** your reservation expenses. Be sure you attach receipts for expenses that meet the receipt requirements. **Note:** Per policy, DTS flags receipt-required items using a triangle icon (Indicator 1). The icon changes to a paper clip once you attach the receipt.

The screenshot shows the 'Enter Expenses' interface. At the top, there's a search bar with 'By Name (A-Z)' and a dropdown arrow. To the right are buttons for 'Expand All', a download icon, a PDF icon, and an 'Add' button. Below this is a list of expenses:

Expense Item	Date	Amount	IBA
Airline Ticket (IBA)	03/06/2023	\$400.00	IBA
Avis Rent-a-Car (SAT)	03/06/2023 - 03/09/2023	\$225.80	IBA

Indicator 2 points to the 'Details' link for the first expense. Indicator 1 points to the 'Details' link for the second expense.

Figure 3-6: Enter Expenses Screen

Update a reservation expense such as airfare, rail, or rental car to reflect actual cost:

1. Select **Details** of the expense item (Figure 3-6, Indicator 2). The **Details** screen opens to **Info** (Figure 3-7, Indicator 1).
2. For flights or rail, you can change the **Ticket Number**, **Ticket Date**, and cost fields. For rental car, you can change the **Expense Date** and **Expense Amount** fields. **Note:** Typically, you need to update the rental car cost on the voucher, as the vendor applies the final fees when you turn-in the vehicle.
3. (Optional) Select **Notes** to add comments.
4. Select **Update** to save the change.
5. Select **Details** again to close the window. The **Enter Expenses** screen updates reflecting the change.

Attach a receipt to an entered expense:

1. Select **Details** of the expense item. The window opens (Figure 3-7).
2. On the right side of the reservation expense entry, you can **browse**, **Drag And Drop**, or select the **+** sign to add a receipt (Figure 3-7, Indicator 2). Regardless of which method you use to include a receipt, once you select it, the **Attach Document** window displays (Figure 3-8). It identifies the document you have chosen.

3. Select **Attach** to confirm that this is the correct file. **Note:** the file will automatically convert to the .png image for viewing. You should only use the **Retain as a PDF** method when you need to retain the format for a digitally signed form. Once the file attaches (Figure 3-9), you should see the receipt and view number of **Attachments**. Icons on the screen you can use include:

- **Trash can** (Indicator 1)
- **Rotate Left** (Indicator 2)
- **Rotate Right** (Indicator 3)

- **Zoom In** (Indicator 4)
- **Zoom Out** (Indicator 5)
- **+Sign** (Add) (Indicator 6)
- **Download all Attachments** (Indicator 7)

4. Select **Details** again to close the expense item. The **Enter Expenses** screen updates with the expense entry reflecting a paper clip icon indicating an attachment is present.

Manually **Add** a reservation expense:

1. Select **Expenses** on the **Progress Bar**. The **Enter Expenses** screen opens. Select **Add**. The **Add New** screen appears.
2. Select **Ticketed Expenses** to enter an airline and rail expense. Select **Transportation Expenses** to enter a rental car expense.
3. Enter data in the required fields, attach a receipt (if required), and select **Add** to save the entry. The recorded entry displays in the list of expenses on the **Enter Expenses** Screen.

Key Note: DTS provides a lodging entry under **Enter Expenses** with a calendar feature to view the daily per diem for the TDY location (Figure 3-6). You can attach your lodging receipt to this lodging entry. However, you *must* change lodging cost, account for leave and meals through the **Per Diem** module (Section 4). You can use the lodging entry **options** (3-dots icon) for quick access to the **Per Diem** module or select **Per Diem** directly on the **Progress Bar**.

4.2 Other Expenses

Based upon your trip, you may need to **Update**, **Add**, or **Delete** other expenses or allowance entries. If you have a reoccurring item, you can use the **Duplicate Expenses** feature to add the same expense quickly. Be sure to carefully review the listing and claim only your actual expenses.

Even though you estimated your trip cost on the authorization, there still may be expenses incurred for the trip (e.g., baggage fees) which you need to add to your voucher. The **Enter Expenses** screen provides a single-entry point to **Add** expenses (Figure 3-14).

Figure 3-14: Enter Expenses – Add

DTS provides six **Expense** categories containing many **Expense** types from which you can choose (see *Table 3-2*).

Key Note: If the **Expense** table does not include an allowable incurred expense, contact your DTA or AO (see your local business rules) for guidance on entering the expense in DTS.

Example: A traveler is overseas on official travel using the Government Travel Charge Card (GTCC) and incurs a *Cross Border Processing Fee*. In DTS, an option could be to use the **Foreign Currency Conv Fees** expense type to record the cost and add notes to the expense for the AO to review.

You should scroll through the list and determine which reimbursable charges to import into your voucher. **Note:** Not all expenses you see in the list should be imported into the **Expenses** module. An example is meal transactions. Based upon the TDY location, you receive a per diem rate allowance to cover your allotted food costs.

Duplicate an expense:

1. Begin on the **Enter Expenses** screen and locate the expense entry. Select **options** (3-dots icon). The window expands.

Delete an expense:

1. Begin on the **Enter Expenses** screen and locate the expense entry. Select **options** (3-dots icon). The window expands.

2. Select **Delete Expense** (Figure 3-25, Indicator 1). A **Delete Expense** window opens.

Figure 3-25: Delete Expense Option

3. Select **Delete** to remove the expense. The expense is no longer in DTS.

Key Note: If you made lodging reservations using DTS or even reservations made outside the system, you may attach your lodging receipt to the lodging entry, which identifies the daily per diem for your TDY location. However, you do not manually enter the lodging cost under **Enter Expenses** when TDY to a single location. Double entry for lodging will cause an overpayment. Update your lodging cost for your trip in the **Per Diem** module (see *Chapter 5*).

4.3 Attaching Files and Substantiating Documents

The **Enter Expenses** screen permits attaching documents that support your travel claim. Types of documents, which you may need to include in the voucher:

- Approval for Travel Memo
- *Constructed Travel Worksheet (CTW)
- Approval for other than economy/coach class travel
- Leave form
- **DD Form 1351-2 (for Non-DTS Entry Agents)

You can attach files to your expenses or **Documents** by using the **Details** or **Import a PDF** feature. DTS converts PDF documents to images during upload and **Drag And Drop** processes to improve the file quality; however, you can still select to upload a PDF version for signed memorandums.

***Key Note 1:** Certain expense selections such as **Mileage, Private Auto – To/From TDY** requires you to complete a **Constructed Travel Worksheet (CTW)**. A message appears if the expense warrants the CTW. Available on the DTMO website is the information paper, [Introduction to Constructed Travel](#) which provides some constructed travel examples.

You can access a CTW in a document by navigating to the **Other Auths and Pre Audits** screen and select the **Constructed Travel Worksheet** link when an expense warrants one. You can also obtain worksheets from the [Constructed Travel Worksheet \(CTW\) Home](#) page.

- The [Pre-Travel Worksheet \(PDF\)](#) for an authorization and [guide](#).
- The [Post-Travel Worksheet \(PDF\)](#) for a voucher and [guide](#).

Note: If you try to download the worksheet and open it using Chrome without saving it first, you may receive a “Please wait” message that does not resolve. This situation is specific to the Chrome browser and not a problem with the actual CTW file. **To resolve:** Save and open the file from the saved folder location.

****Key Note 2:** DTS requires an attached DD 1351-2 be included in the voucher before the Non-DTS Entry Agent (NDEA) can stamp the voucher T-Entered for a traveler’s payment. If the NDEA applies the T-Entered stamp

without an attached DD 1351-2, an **AUDIT FAIL** occurs during the signing process, causing a hard stop. The NDEA must return to the **Enter Expenses** screen and **Add** the required record.

Attach a receipt to an entered expense:

1. Begin on the **Enter Expenses** screen and locate the expense item. Select **Details** (Indicator 1). The window opens (Figure 3-26).
2. On the right side of the entry, you can **browse**, **Drag And Drop**, or select the **+** sign to add a receipt (Indicator 2).

The screenshot shows the 'Details' screen for an expense entry. The top bar displays the expense title 'Parking - At the Terminal', the date '03/06/2023', and the amount '\$100.00'. Below this, there are tabs for 'Info' and 'Notes'. The 'Info' tab is active, showing fields for 'Expense Date*' (03/06/2023), 'Expense Amount*' (\$ 100.00), 'Currency Converter', and 'Method of Reimbursement*' (GTCC ending in **4242). On the right side, there is an 'Attachments' section with a 'Drag And Drop' area and a plus sign button. Indicator 1 points to the 'Details' link, and Indicator 2 points to the 'Drag And Drop' area.

3. Choose one of the attachment options to locate the file to upload. The **Attach Document** window opens displaying the file (Figure 3-27).

Below the title is a label "File Name*" followed by a text input field containing the text "carlson_receipt_air 03 2023.pdf". Below the input field is a checkbox labeled "Retain as PDF (e.g., CTW, Digitally Signed PDFs)" with a blue information icon to its right. At the bottom of the dialog are two buttons: a light blue "Close" button and a blue "Attach" button. The "Attach" button is highlighted with a red rectangular border.

 - **Rotate Left** (Indicator 2)
 - **Rotate Right** (Indicator 3)
 - **Zoom In** (Indicator 4)

6. Select expense **Details** again to close the window. The **Enter Expenses** screen updates reflecting the expense item, cost change, and paper clip icon for attachment (Figure 3-29).

DTS provides an option to **Import a PDF**. When you import files into the voucher, (e.g., memos, leave forms, DD 1351-2) you must attach each one to a specific expense or to **Documents**. If you attach files, but do not associate the record to an expense, DTS provides an information message (Figure 3-30, Indicator 2).

Import a PDF to attach:

1. Begin on the **Enter Expenses** screen and select the **Import a PDF** icon (Figure 3-30, Indicator 1). The **Import PDF** window (Figure 3-31) opens.

Chapter 5: Update Per Diem Information

The **Review Per Diem Amounts** screen (Figure 3-41) identifies the per diem allowances (daily lodging limits and Meals & Incidental Expenses [M&IE]) that the AO approved in your authorization. **Note:** On the **Enter Expenses** screen, you can select the **Lodging** quick access option to **Edit Per Diem** (Figure 3-40).

Figure 3-40: Lodging Option - Edit Per Diem

You can access the **Review Per Diem Amounts** screen at any time by selecting **Per Diem** on the **Progress Bar**.

The screenshot shows the 'Review Per Diem Amounts' screen. It includes a 'Reset all adjustments' link and an 'Adjust Per Diem Amounts' button. A message states: 'Click "Adjust Per Diem Amounts" to make adjustments based on your travel orders or duty conditions. See the [GSA State Tax Exempt List](#) to find out if your lodging costs are exempt from state sales tax.' There are 'Group similar days' and 'Expand all'/'Collapse all' options. The travel details are 'TDY: FT. SAM HOUSTON, TX (4 days)' with a note that the location is exempt from state sales tax but requires an exemption form. A table lists the per diem amounts for each day.

Figure 3-41: Per Diem Entitlements Screen

Available options for changing, adding, and deleting your per diem allowances and the explanations of those selections are the same on the voucher as on the authorization. See the [DTS Guide 2: Authorizations](#) for more details.

To modify the per diem entitlements you can choose **Adjust Per Diem Amounts** to make changes or **Ungroup** the days and select **options** (3-dots icon) then choose **Edit** to update the information.

Adjust Per Diem Amounts:

1. Select **Adjust Per Diem Amounts**. The **Adjust Per Diem Amounts** screen displays.
2. Select the date range, then enter the updated information in the following sections:
 - Meals
 - If your TDY ILP location has available meals and you change the default meal selection as directed by the **JTR**, DTS will provide a pop-up message which you must certify the directed meals were not available. In addition, an **ADVISORY** for **CERTIFICATION OF MEALS UPDATE** appears under **Other Auths and Pre-Audits**.
 - Duty Conditions
 - Other Entitlements
 - Lodging Cost
 - Your daily lodging must reflect the actual amount you are charged per your receipt and which you are allowed to receive based upon your TDY location and the *JTR* for incurred expenses and earned allowances.
 - If you TDY at an *ILP* location, you declined to use an available, directed lodging type and there is no approved exception, your lodging and meal reimbursements will be limited as directed by the [*JTR, Table 2-15*](#).
3. Select **Save Adjustments**.
4. The **Review Per Diem Amount** screen displays the lodging and M&IE changes.

If several changes impact your per diem conditions, you may want to consider using **Reset**. The **Reset** link returns all options on the selected day to their initial default settings. You can then enter all necessary changes before saving them.

Chapter 6: Update Accounting Information

The **Accounting** module only contains the **Accounting** screen (Figure 3-42). You can use it to update incorrect Lines of Accounting (LOAs) that appear on your document.

6.1 Update LOAs

Open the **Accounting** module on the **Progress Bar**. As was true on the authorization, you should only make changes to this screen, if your organization allows you to do so.

Review Accounting

Add and allocate lines of accounting, request advances, and manage scheduled partial payments (SPP) for trips lasting more than 45 days.

ACCOUNTING CODES

Lines of Accounting (LOA) are used to identify the source of funds for travel. If using more than one LOA, you will be required to allocate them.

Figure 3-44: Review Financial Summary Screen

Review the information carefully. **Note:** There are four sections, only one allows you to make updates.

- **Expense Summary:** Provides the total of all expenses on the voucher and divides them into reimbursable expenses and non-reimbursable expenses. Non-reimbursable expenses generally include expenses paid by the Government (e.g., items charged to a CBA).
- **Disbursement Summary:** Shows the total of all payments you have received or ones in process and breaks them down by advances, partial payments, and payments made against previous filed vouchers.

- **Credit Summary:** Supplies information about debts – the total reimbursement you are due to receive, any amount you were overpaid, and any collections or waivers used to help pay off the debt.
- **Entitlement Summary:** This section shows the split disbursement amounts DTS calculated based on your trip entries. The categorized amounts and totals in this section show past and future payments to your bank account (**Personal**) and to (**GTCC**). To change the currently listed split disbursement amounts, select **Adjust Disbursements**. The **Adjust Disbursements** screen (Figure 3-45) opens.

Figure 3-45: Adjust Disbursements Screen

Use the fields at the top of the screen to adjust the split disbursement amounts. The distribution amounts in the yellow border automatically adjust as you make changes in the following three areas:

- **Overpaid GTCC:** If you overpaid your GTCC account, enter the amount of the overpayment. DTS redirects that amount to your personal bank account to balance the overpayment.
- **GTCC ATM Withdrawal:** If you used a GTCC to withdraw cash from an ATM, enter the total amount you withdrew (not the ATM fee). DTS redirects funds to the GTCC vendor to repay that amount.
- **Additional Payment Paid to GTCC:** If you paid any legitimate expenses with your GTCC that you cannot account for in the voucher (such as a meals), enter the total amount here. DTS redirects funds to the GTCC vendor to repay that amount.

Once all expenses you charged to your GTCC hit your GTCC account, ensure the total listed as the net distribution to GTCC matches the amount the GTCC vendor says you owe for this trip. Paying the correct amount to the GTCC vendor helps prevent payment delinquencies in your charge card account.

Chapter 8: Review Module

The **Review** module contains the same four screens as the authorization except the document type is **Review Voucher**. If you need to check your profile, see *Section 8.1* below. If not, skip to *Section 8.2 Review Trip Voucher* screen.

8.1 Review Profile Screen

If you need to update your profile (i.e., GTCC, EFT or email address) on the voucher, select **Open Profile**. You use the same steps described in [DTS Guide 2: Authorizations](#) to make profile changes. You can save the data for the single document or **Update Permanent Profile**.

8.2 Review Trip Voucher Screen

Select **Review Voucher** at any time on the **Progress Bar**. The **Review Trip Voucher** screen is a long page displaying all the voucher data (Figures 3-46 a, b, c, d, and e). You should carefully check for errors before you sign the voucher. The **Go to <module>** links appear in key location of the **Review Trip Voucher** screen, so you can modify any entries that are incorrect. After you complete the review, select **Continue** to proceed.

The screenshot shows the 'Review Trip Voucher' screen. At the top, there is a title 'Review Trip Voucher' and a 'Print' icon. Below this, the 'Trip Details for:' section displays the voucher ID 'EWFTSAMHOUSTO030623_V01'. The details include: 'Trip Type: Temporary Duty Travel (Routine) (MISSION - OPERATIONAL)', 'Trip Description: N/A', 'Dates: 03/06/2023 - 03/09/2023', 'Conference/Event Name: Not Applicable', and 'Reference: Add Reference'. At the bottom, there is a 'Comments to the Approving Official' section with an 'Add Comments' button highlighted by a red box.

8.3 Other Auths and Pre Audits Screen

You can access **Other Auths and Pre-Audits** and **Sign and Submit** on the **Progress Bar** at any time. Although, before DTS will let you sign the voucher, you must visit the screens in the order listed:

1. **Other Auths and Pre Audits**
2. **Digital Signature**

If you don't open those screens in the correct order, DTS sends you back to the **Other Auths and Pre Audits** screen to try again.

On the **Other Auths and Pre Audits** screen displays the following (Figure 3-47):

1. **Other Authorizations** show official remarks added to a travel document. Since you rarely need printed travel documents after the trip, you almost never have to make changes in this section. However, you can make changes if necessary, using the same processes you used to make the entries in the authorization. Examples: **Baggage – Excess**, and **Non Compact Car Authorized**.
2. **Pre-Audit** displays items that DTS has flagged because they exceed established cost thresholds or may be outside of DoD travel policy. DTS copied them – along with their **Reason Codes** and **justifications** – from the authorization. It also added new items you triggered by making changes on the voucher, such as **Non-Contract Airfare** or changing split disbursement amounts. You must provide appropriate justifications for all new-flagged items before the AO may approve the voucher. You can learn more about **Reason Codes** in the [DTA Manual, Appendix K](#).
3. **ADVISORIES** point out items that changed (e.g., personal profile) and items you may have forgotten (e.g., **Rental Car – Fuel**). **Note:** Many **ADVISORIES** are information only.

8.4 Digital Signature Screen

The **Digital Signature** screen (Figure 3-48) allows you to sign the document and tracks its progress through the approval process.

To sign the voucher:

1. Under **DOCUMENT STATUS**, check the box next to, **I agree to SIGN this document**.
2. (Optional) Choose a different **ROUTING LIST** under the drop-down menu.
3. (Optional) **Add comments** to the AO.
4. Select **Submit Completed Document**.

The screenshot shows the 'Digital Signature' screen for a 'Trip Voucher Status'. At the top, it says 'See where your trip voucher currently is in the approval process.' Below this is a link 'Check document for errors...'. A green checkmark icon indicates the document is 'CREATED' on 01/13/2023 03:22PM by 'Eric T West'. The main section is titled '(Pending) SIGNED'. It contains a 'DOCUMENT STATUS' section with a checked box for 'I agree to SIGN this document' and a 'ROUTING LIST' dropdown menu set to 'CSD'. There is an 'Additional Comments' field with an 'Add Comments' button. Below this, the user's 'NAME' is 'Eric T West' and 'TODAY'S DATE' is '02/02/2023'. A disclaimer states: 'By clicking "Submit" you are legally signing this document to be submitted for routing and approval.' A light blue box contains the text: 'The estimated transportation related expenses and actual reimbursement may be reduced if travel is completed using a different transportation mode than authorized by your AO.' At the bottom right is a green 'Submit Completed Document' button.

Figure 3-48: Digital Signature Screen

Key Note 1: DTS requires you to attach a receipt for all lodging and any expense of \$75.00 or more. When a required receipt is missing, DTS generates an **AUDIT FAIL** message during the signing process causing a hard stop (Figure 3-49).

MISSING RECEIPT:One or more expenses is missing the required documentation

Figure 3-49: Audit Fail Message – Missing Receipt

Key Note 2: DTS requires an attached DD 1351-2 be included in the voucher before the NDEA can stamp the document T-Entered on behalf of traveler to process a payment. When a DD 1351-2 is missing from the voucher, DTS generates an **AUDIT FAIL** during the T-Enter process causing a hard stop (Figure 3-50).

Figure 3-50: Audit Fail Message – Missing DD 1351-2

If you receive an **AUDIT FAIL** message for a missing document, return to the **Enter Expenses** screen and **Add** the required record. After attaching the file, proceed to the **Other Auths and Pre Audit** page, justify any flags, and then advance to the **Digital Signature** page to stamp the voucher.

Once you sign the voucher, you do see additional screens (Figure 3-51).

A dark-themed modal window titled "CONFIRM SUBMISSION". It contains two paragraphs of text. The first paragraph states that the trip record is accurate and represents a legal claim for reimbursement, and that the user understands there are severe criminal and civil penalties for knowingly submitting a false, fictitious or fraudulent claim (18 USC Sections 287 and 1001, and 31 USC Section 3729). The second paragraph states that unused tickets have a monetary value and belong to the US Government, and that all unused tickets must be reported and returned to the TMC as soon as possible for the applicable credit. Instructions can be found on the DTMO website. At the bottom right, there are two buttons: "Cancel" (text link) and "Confirm and Continue" (blue button).

Figure 3-51: Confirm Submission Screen

The **Confirm Submission** screen provides a way for you to validate that:

- You are submitting a valid claim and you understand there are legal penalties for knowingly submitting a false claim.
- You understand that you must return any unused paper tickets to the Government.

After you select **Confirm and Continue**, DTS acknowledges a successful submission and begins the routing process (Figure 3-52). You should receive payment for your claim within 72 hours after AO approval.

A light gray confirmation screen titled "Confirmation". It features a large green checkmark icon. Below the icon, it says "The trip voucher was successfully stamped:" followed by a green button labeled "SIGNED" which is highlighted with a red rectangle. Below this, there is a white box containing the voucher ID "EWFTSAMHOUSTO030623_V01" and the departure date "Departing on 03/06/2023". To the right of the white box are buttons for "Print" (with a printer icon), "Edit", and "View". At the bottom right of the screen is a button labeled "Go to Homepage".
