

COMMUNICATOR

Annual training and exercise season is a busy time of year for our Reserve Force. As many of you already know a lot of training and preparation takes place so that our units can maintain their mission readiness.

However, mission readiness can only be met if our Marines and sailors are meeting the requirements to sustain personal readiness for themselves and for their families. I understand that many of you have to balance the responsibilities of your jobs in the military and in your civilian lives, which can be a lot to take on.

This month's communicator is meant to serve as a checklist to help Marines understand what some of those requirements are. It's our responsibility to make sure our Marines are ready in all aspects of readiness.

Semper Fidelis.
