## ESTIMATED TRAVEL COSTS FOR A PCS MOVE

## PCS Move Costs

A PCS move requires a lot of planning which includes creating a spending plan. Your type of move, family size, planned route, method of travel, and "extras" will all impact your total costs and the amount you will pay out of pocket. Completing the calculations below will help you plan and hopefully avoid surprises.

## Driving Costs

Allow an average of $\$ 25$ per 100 miles ( $\$ 0.25$ per mile) for fuel and maintenance.
Step 1. $\qquad$ $\mathrm{x} \$ 0.25=\$$ $\qquad$

Step 2. \$
Total Miles
Mileage Cost
$\qquad$ $+\$$ $\qquad$ = \$ $\qquad$
Expected Tolls
Total Driving Costs

## Overnight Accommodations

Assuming 350 miles of travel per day, estimate daily hotel costs using $\$ 120$ per night
(plus $\$ 20$ per night for pets).
Step 1. $\quad \div 350$ miles $=\frac{\text { Total Miles }}{\# \text { of Travel Days }}$
Step 2. $\qquad$ x \$ $\qquad$ = \$
\# of Travel Days
Room Cost per Night
Total Accommodation Costs

## Food and Other Costs

Plan on food costs of $\$ 50$ per person per day.
Step 1. $\qquad$ X $\qquad$ $x \$ 50=\$$ $\qquad$
Step 2. \$ $\qquad$ $+\$$ $\qquad$ $=\$$ $\qquad$
Food Costs Extras (souvenirs, tickets, etc.) Total Food/Other Costs
\$ $\qquad$ $+\$$ $\qquad$ $+\$$ $\qquad$ = \$
Total Food/Other Costs
$\qquad$
TOTAL

## Estimated Reimbursements

- Reimbursements include mileage and per diem allowances and are based on whether you are traveling with or without dependents or with other travelers.
- Reimbursements may not cover all costs but save all receipts, just in case.
- The administrative officer at your new duty station will decide whether the regulations permit reimbursement of certain items and how much is paid.
- Marine Corps Community Service PCS resources are available at https://usmc-mccs.org/cycle/pcs/.
